COLLEGE AWARENESS PROGRAM – PAMPHLET DISTRIBUTION IN HIGHER SECONDARY'S

In order to enrol more number of students in HSBPVT's GOI COE, KASHTI; Alumni Association conducted Pamphlet Distribution Program in all nearby higher secondary's from where probability of students coming for admissions in the college is maximum. Nearly more than thousand pamphlets were distributed amongst the passed out HSSCE students.

The basic idea behind the Pamphlet Distribution is that, all HSSCE passed students seek for admission in various fields of interest. But sometimes due to lack of awareness and guidance, some of the courses remain untold to them. By conducting this drive, it will be easier to promote the courses and facilities provided by our college to the passed-out students, so that they get correct options to choose for their career.

First Pamphlet distribution drive was conducted in December 2018, second drive was conducted in December 2019, and Third drive was conducted in February 2020 by Alumni Association members. A remarkable increase in the number of students pursuing degree courses, especially Computer, E&TC and Electrical branch was noted in the academic year 2021 and 2022. As the result, HSBPVT's GOI COE, KASHTI is now widely known college in the neighbouring towns. The campaign was solely managed by Dynamic Alumni Association team.

Some of the higher secondary Schools visited are as under:

1. Shri Chhatrapati Shivaji Mahavidyalaya, Shrigonda.
2. Maharaja Jivajirao Shinde Jr College, Shrigonda.
3. St. Sebestin School and Junior College, Daund.
4. Mangesh Memorial School, Daund.

Our environment is a priceless gift of God and taking care of it is a prime duty of human being. Following huge deforestation and industrialization, there is an intense need to replenish the greener loss. Keeping this noble cause in mind, Alumni association put a step ahead and organized large scale tree plantation campaign in HSBPVT's GOI COE, KASHTI area on 25th September 2020 along with our NSS team.

The program was conducted in presence of Principal COE Dr. V. N. Patil. Number of civilians, students and faculty staff of college were present for the event. Principal of the college and HOD of FE department Prof. Suryawanshi P. M. welcomed the crowd. Formal inauguration of program was carried out by delegates. All delegated were honoured with a memento and flowers as a token of love. All present people were delighted with the efforts made by alumni association team, and promised for every support in future. Former President of Alumni association shared his visionary views on the dais. The basic target was to plant more trees in the environment. The entire Alumni Association team, without fearing rain and wind, worked the whole day to take up the task. Moreover, prior to plantation program, a survey was conducted by Alumni Association team in nearby villages, like Nimgaon Khalu, Ajnuj, Sangavi Dumala, etc. asking information about which plants people will like to grow in their gardens. Alumni association members went door to door for doing this survey. In future our plan is to distribute Medicinal, Fruiting and Flowering plants in the entire locality to their doors steps completely free of cost.

Furthermore, plan is to plant fruit trees in nearby villages so that constantly depleting wild life will get natural source of food in the form of fruits and flowers. With god's grace the trees will bloom and soon will be a source of food for the wild life. Aah! What a great ideology. The event was solely managed by Dynamic Alumni Association team.
